

EMERGENCY ADULT DENTAL CLINIC

Includes:

One emergency limited oral exam, x-ray and one filling OR extraction per adult. Children accepted on an emergency basis only. Once your treatment is complete, you will be referred to existing clinics for comprehensive care.

We are unable to provide at this clinic comprehensive dentistry, cosmetic dentistry, dentures, partials, bridges, crowns, root canals, implants, braces or cleanings at this clinic. Appointments are limited and on a first come, first served basis with volunteer availability.

Please call or email to schedule.
